TERP TRACK FACTS

Maryland has won 13 consecutive A.C.C. indoor and outdoor track titles.

The Terps are undefeated in dual and triangular meets over the last 6 years. Their last loss was at home in 1962, which was the only home loss Maryland has suffered in 13 years.

In 1968, Maryland scored in every event in both the indoor and outdoor A.C.C. Meets.

In Cross Country, Maryland currently enjoys a 3 year undefeated skein in dual meets. The Terp Harriers have also won 4 consecutive A.C.C. titles.

In 1968, Maryland defeated the National Indoor Champions, Villanova, in a triangular meet. The final score saw the Terps on top with 96 points, followed by Villanova with 67 and the Quantico Marines with 18.

Maryland, won 15 of 17 events against arch rival Navy last year to trounce the Middies 118-27.

Terrapin sprinter Roland Merritt was voted the outstanding performer of the 1968 A.C.C. Outdoor Meet. The lanky speedster won the 100 in 9.7, the 220 in 20.9 and in the 440 relay victory closed an eight yard deficit with an unofficial time of 9.2 for his 110 yard leg.

Maryland Freshman John Baker ran the metric equivalent of a four minute mile, running a 3:43.2, 1500 meters for eighth in the N.C.A.A. Meet.

High jumper Joe David leaped 6'9¾" to break Frank Costello's freshman record.

High Jump Coach Frank Costello and Sophomore High Jumper Joe David both hail from Union High School in New Jersey. In the Outdoor A.C.C. Meet,

David broke Costello's freshman record of 6'8½" with a leap of 6'9¾". However, Costello won the meet at 6'10¾", breaking his own meet record.

Maryland has three sub 4:10 milers returning this year; John Baker 4:02.8, Ernie O'Boyle 4:08 and George Minarik 4:09.2.

Terp long jump recordholder Mike Cole's 13 points in the 1965 IC4A's are the most ever scored in an IC4A Meet by an individual.

Maryland pole vaulter John Belitza was the first collegian in history to clear 16 feet when he leaped 16'½" in the 1963 Boston A.A. Meet.

Only one Maryland runner has surpassed Coach Jim Kehoe's 1940, 880 record of 1:50.4. Dick Smith ran a 1:49.8 to win the A.C.C. Meet in 1963.

High Jumper Bill Betts and Distance Runner John Amoss were both honor students in Engineering at Maryland. Betts will attend Stanford on a fellowship next year, while Amoss has a fellowship to Ohio State.

Maryland has had nine fifteen foot pole vaulters since 1962.

CROSS COUNTRY 1967

1967 marked the third straight season the Terp Harriers enjoyed an undefeated dual meet season, with a 5-0 record. Included with these fine performances was a fourth straight A.C.C. crown. Graduation losses were expected to hamper the team in 1967 but these losses were more than balanced by the arrival of two new freshman sensations.

Terps Ernie O'Boyle and John Amos press Navy star Ron Knode during 25-30 Maryland win at College Park.

In the opening meet of the season the Terps swept Virginia 15-50. Two freshmen stood out in this meet, John Baker and Charlie Shrader. The two newcomers proved they were no fluke when they again led the red and white over a strong Duke team, 20-39. By the North Carolina meet Shrader had fallen to number five behind three veterans but Baker was still number one as the Tarheels suffered a 15-48 drubbing. Against North Carolina State on the Wolfpack's home grounds, distance star Dave Starnes chased his freshman compatriot Baker all the way as both runners smashed the course record in a near photo finish. The final outcome saw the Wolfpack on the losing side 15-50. With their undefeated record intact to this point, the harriers prepared for their biggest challenge against arch rival Navy, who was fielding one of the strongest teams in the east. The middies set a fast pace and with only a mile to go the situation developing was not bright for Maryland. Only a one, two finish could assure a victory which Starnes and Baker provided. Both runners bettered the course record with Starnes finishing just ahead of Baker. Navy garnered the next three places but veterans Reuben Beauchamp, Ernie O'Boyle and John Amoss finished 6th, 7th and 9th, to clinch a 25-30 win.

The Terps traveled south to defend their A.C.C. crown, which they did, defeating Duke 27-52. Starnes led the Terps with a second place finish, Charlie Shrader finishing third. Other Maryland finishers were: John Amoss (6th), Ernie O'Boyle (7th), Reuben Beauchamp (9th), George Minarik (15th), John Jacobs (16th). John Baker missed the A.C.C. Championships as well as the remainder of the season due to an untimely leg injury.

The team closed the season with Maryland's first ever varsity showing in the IC4A Cross Country Run. The Terps finished a most successful tenth despite the absence of their two freshman stars who were ineligible to compete in the meet. In the freshman race Charlie Shrader finished third as the young Terps finished an impressive 6th despite the absence of John Baker.

INDOOR HIGHLIGHTS

Maryland's Indoor Track Team opened their 1968 season with an impressive win over Navy, 57-43, although the Tars battled the Terps all the way. Roland Merritt's 6.2 win in the 60 and Bruce Carson's 7.2 win in the highs were the running highlights. In the field events Junior Rich Cirner won the long jump, Soph Buddy Williamson the pole vault with a leap of 15 feet and frosh Jack Hanley's 55′4″ toss in the shot, led the Terps. Most impressive however, was Frank Costello's win in the high jump. The former All American returned from a serious knee injury to leap 6′9½″, bettering his own field house record.

The Terp runners returned to form the following week as the mile relay team won and the two mile relay team finished third in the Millrose Games. The mile relay team managed six wins over the season, while the two mile relay team placed first four times. Roland Merritt ran several legs on mile relays under 49 seconds, while Dan Donohue and Dave Starnes were the standouts on the two mile team. Both Relays won A.C.C. titles.

Vault star Buddy Williamson clears 14' for second in the A.A.C. indoor meet despite broken wrist suffered on an earlier vault.

Distance runners, Dave Starnes and Ernie O'Boyle, enjoyed good seasons on the indoor circuit. Starnes placed fifth in the Philadelphia Track Classic two mile run in 9:02.4, fourth in the All Eastern two mile run in 9:02.8 and was runnerup in the A.C.C. Championships. O'Boyle ran a 4:08.4 mile for second place against Navy. He also won the Open Mile in the Philadelphia Track Classic and placed second in the Collegiate Mile in the Federation Meet.

The Terps clinched their thirteenth consecutive A.C.C. Indoor Crown scoring a record 106 points to runnerup North Carolina's 32. Individual winners were: Roland Merritt in the 60, George Wojtech in the 600, Frank Costello in the high jump, Tom Gagner in the pole vault and Jack Hanley in the shot. In the team performances, the one and two mile relay teams added wins to their impressive lists. Frosh star John Baker running his first major race after his cross country injury placed second in the mile, narrowly missing a victory by inches, with a time of 4:11.6.

Rich Cirner and Roland Merritt won runnerup honors in the IC4A's at New York. Cirner long jumped 24'13¾" for his place while Merritt was narrowly nipped by Notre Dame's Bill Hued in the 60 yard dash.

OUTDOOR HIGHLIGHTS

Any disappointments Maryland's track team may have had on the boards were quickly forgotten due to a stellar 1968 Outdoor season. The Terps remained undefeated in dual meets for the seventh consecutive year and scored an amazing 13th consecutive Outdoor A.C.C. win to complete a conference triple crown win for Coach Jim Kehoe. The success of the Outdoor Team can be attributed to a combination of extraordinary team depth and outstanding individual effort. The season was to see a total of twelve Maryland Records either broken or tied.

Jubilant Terps carry Coach Jim Kehoe to the showers after 118–27 rout of Navy at College Park.

The Terps were 4-0 in dual and triangular meet competition. Their first win was a 111½-33½ rout of the Carolina Tarheels. However, even the most ardent Maryland track fan hardly expected the amazing beating that Navy suffered the following week. In an outstanding display of team effort the Terps won all but two events in humiliating the Middies 118-27 before a large crowd at Byrd Stadium. Double winners Roland Merritt in the sprints and Bruce Carson in the hurdles led a host of fantastic individual performances. The biggest win of the season was a convincing upset of NCAA Indoor Champion, Villanova, in a triangular meet at Villanova. A tremendous show of depth in the field events and several upsets on the track left the heavily favored Wildcats dumbfounded. The meet's biggest hero was freshman John Baker who chased super-star Dave Patrick for a 4:02.8 second place in the mile. Baker then came back to win the two mile with a 9:00.8 clocking. Sprinter Roland Merritt beat Villanova's Erv Hall in both the 100 and 220, then came from behind to beat the Wildcats' Larry James in the 440 relay. The final score saw Maryland with 96 points, Villanova with 67 points and the Quantico Marines trailing with 18 points.

The A.C.C. triumph was also a great win for Maryland. Facing one of the best conference fields in years the Terps scored seven wins and rolled up a record 139 points. Roland Merritt won both sprints and anchored the 440 relay. Rich Drescher won the discus with a school record 178′1½″. Frank Costello leaped 6′10¾″ in the high jump. Rich Cirner leaped 24′6¼″ in the long jump and John Baker copped the mile with a great 4:05.5 effort.

Half miler Marty Brotemarkle leads teammate Dan Donahue into final turn during the Navy meet. Donahue won in a meet record 1:51.8 while Brotemarkle was second in 1:52.8, a Maryland Frosh record.

The DCAAU Meet at College Park provided several outstanding efforts. Roland Merritt defeated Olympian John Moor in the 100 with a 9.7 clocking. John Baker lopped 5 seconds off the mile record with a 4:07.4 win. Bruce Carson clocked a 13.8 for the high hurdles after winning the 440 intermediates in 53.7. Senior Dave Starnes finally broke nine minutes in the two mile winning the event in a record 8:55.2.

Maryland travelled to Philadelphia's Franklin Field for the IC4A Championships. Without its strong contingent of fine freshmen the Terrapins were not expected to fare well against the East's finest, defending champion Villanova. However, the Terp upperclassmen turned in a strong performance to score 43 points for second place, behind the powerful Wildcat team led by Dave Patrick's great sub four minute mile of 3:56.8. Roland Merritt won the 220 in 21.0, Rich Drescher copped the discus with a 170′5″ throw and Ed Marks took the triple jump with a school record of 50′1″. Dave Starnes also bettered his own school record in the three mile finishing third in 13.50.5.

At the NCAA Championships in Berkley, California,

Frank Costello grabbed a fifth place leaping 6'11". Ed Marks was sixth in the triple jump with 51'3" his best ever. John Baker placed 8th in the 1500 meters in 3:43.2 after qualifying in 3.43.3. Both times are roughly equivalent to a four minute mile. Rich Dresher was 9th in the discuss and Dave Reiss 11th in the javelin. Costello, Marks, Drescher, Baker and Reiss all qualified for the final Olympic trials.

Super star Roland Merritt ran 9.5 in the 100 to beat Villanova's Erv Hall (second from left). George Lucas is at far left.

John Baker is shown winning 2 mile run against Villanova and Quantico in a record setting 9:00.7. Earlier Baker had run 4:02.8 for second in the one mile.

He was a key man on the Maryland one mile relay with several outstanding efforts against major competition.

WARNER, CHARLIE, Triple Jump, Soph. — A fine performer as a freshman, Charlie consistently leaped over 44 feet. His presence should add considerable depth to this event in 1968.

WILLIAMSON, BUDDY, Pole Vault, Jr. — A broken wrist prevented this outstanding athlete from reaching his potential last season. Buddy spent the past summer living with World Record Holder, Bob Seagren, in California and has learned a great deal more about his event. He presently shows the ability to vault well over 16 feet.

WOJTECH, GEORGE, Quarter Mile, Sr. — A powerful runner, George was hampered by illnesses most of last season. Nevertheless, he won the A.C.C. 600 and ran several great relay legs during the indoor season. His best effort was a school record 1:11.7 600 against Navy.

Dave Reiss shows form that placed him second in the I.C.4A. javelin throw.

1968-69 PREVIEW

Spring 1968 saw the departure of fifteen outstanding performers from Maryland's undefeated track team. Included in these losses were Frank Costello, former NCAA high jump champion, four IC4A champions: Frank Costello, again, along with triple jumper Ed Marks, javelin thrower Wayne Donelon, and pole vaulter Tom Gagner. Also, this group includes seven ACC champions and four University record holders.

While such losses would normally spell disaster for most teams, the veteran Jim Kehoe has a way of coming up with adequate replacements in such situations, as past records will testify. Maryland track fans are hopeful that 1969 will be no exception and that Maryland will again retain its dominance in the Atlantic Coast Conference and be a strong factor in the eastern track world.

The cross country picture sees the return of seniors Ernie O'Boyle and George Minarik, plus two sensational sophs John Baker and Charlie Shrader, all of whom enjoyed an excellent season last year. These stars are expected to provide the nucleus for rebuilding the gap left by four departing lettermen. Sophs; John Herbots, Jim McGovern, Marty Brotemarkle, Mike Burke, and Ron Taintor are expected to provide the depth needed for another undefeated season.

On the track several outstanding individuals return for their senior year. Roland Merritt leads a talented group of sprinters, with George Wojtech and Jim Calhoun showing great promise in the 440. Three sub 4:10 one milers led by soph John Baker return, to provide the Terps with both depth and quality in the distance runs.

The field events picture also sees the return of several bonafide stars. Injured last season, pole vaulter Buddy Williamson should fill the gap left in that event. High jumper Joe David is seeking to fill the place left by two time All-American Frank Costello. Rich Drescher looms as one of the outstanding propects in the nation in the discus. The long jump and triple jump have several classy performers led by versatile Rich Cirner and Mike Neff, with George Braley showing great promise. The shot put and javelin also contain championship points with the return of Jack Hanley and Dave Reiss, supported by the rapidly improving Gary Parsons and Jack Bacon.

All in all, the Terps appear to have several outstanding men in nearly every event. Only in the hurdles and pole vault do the Terps lack their traditional depth. It is hoped, however, that some of the depth will be replaced by several outstanding incoming freshmen and junior college graduates.

Alvin L. Aubinoe Award

The Alvin L. Aubinoe Award is given annually to the Outstanding Graduating Senior Trackman and was awarded to high jumper Frank Costello in 1968. Truly a "GREAT" during his years at Maryland. A two time ALL AMERICAN, he however scored his greatest victory in rebounding from a serious knee operation. Although he never regained the stature of his pre-injury days, Frank made it to the First Olympic Trials, where he narrowly missed qualifying for the Final Trials.

While at Maryland, Frank won four IC4A and six A.C.C. Titles. During the 1966 season he won both the indoor and outdoor NCAA High Jump Championships. At his peak he was ranked among the leading high jumpers in the world, with a best leap of 7′1″. He cleared seven feet on numerous occasions during his career.

A Physical Education Major, Frank was an excellent student and campus leader. A part of his curriculum, Frank worked several days a week assisting deaf athletes from nearby Gallaudet College. A champion beyond any doubt, Frank will continue giving his talents to Maryland as an assistant coach this year.

Frank Costello — Aubinoe Award Winner

Bruce Carson — Evans Award Winner

Halbert K. Evans Award

Hurdler Bruce Carson was last year's recipient of the Halbert K. Evans Memorial Award, which is presented annually to a Senior Trackman who has been voted the outstanding leader both on and off the track. Bruce, trully filled such a role during his four years at Maryland. As a frosh he ran a 13.9, 120 high hurdles race, one of the fastest clockings in the nation. The following year he won three A.C.C. hurdle titles, one indoors and two outdoors. He set an A.C.C. record for the 440 intermediate hurdles. During his junior year Bruce suffered from injuries but rebounded well during the past year. Indoors he set a University Dirt Track Record of 7.2 for the 60 yard high hurdles. Outdoors, he was one of the singularly outstanding performers on last year's great team. His 13.8 high hurdles clocking and 52.5 intermediate clocking were among the best in the East last year. He was also a key man on Maryland's 440 and mile relay teams.

Majoring in a difficult Economics Curriculum, Bruce also achieved a "B" average in addition to his athletic achievements.

Bruce was an inspirational team leader, both on and off the field and highly respected by his team mates. With his leadership, character and dedication, he justly deserves to be the recipient of this highly regarded award.
